Frequently Asked Questions (FAQ) Update:

11/19/2024

Anthem Kentucky Managed Care Plan, Inc. will no longer be a Kentucky Medicaid Managed Care Organization starting January 1, 2025 pursuant to a court order in *Anthem Kentucky Managed Care Plan, Inc. v Kentucky Finance and Administration Cabinet, et al*, Franklin Circuit Court, Civil Action No. 20-CI-00719. This document is to assist members, providers and other interested parties in understanding how this impacts the Kentucky Medicaid program.

1. I am a current Anthem member, what does this mean to me?

Answer: This does not change your Medicaid eligibility or coverage. There is no action required by you. You will be automatically assigned to another Managed Care Organization (MCO).

A notice will be mailed on November 12, 2024 telling you about your new MCO including a phone number to call if you have questions. This change will be effective January 1, 2025. Your new MCO will mail you a new ID card and welcome packet. If you want a different MCO, you may change your MCO at any time by calling 1-855-446-1245.

2. How is my new MCO chosen?

Answer: Anthem members will be automatically assigned in the following order of priority:

- a. If a household member has the same MCO;
- b. If a preferred provider is in the network; or
- c. If not assigned in a or b above, then randomly auto-assigned in a round-robin fashion.

You have the opportunity to change MCOs at any time.

3. I am currently receiving treatment by a provider; will I be able to continue to receive treatment by this provider?

Answer: If the provider is in the network of your new MCO, then you can continue treatment with that provider. Your new MCO may contract with the provider if not already in their network to maintain your treatment. Anthem and your new MCO are also required to assist members with transitioning care to the new MCO.

If you have questions, please contact your new MCO once you receive your reassignment notice. You may also move to another MCO if your provider is not in your new MCO's network. You can change your MCO by calling 1855-446-1245.

4. I am currently receiving Case Management from Anthem; how will this be transitioned?

Answer: Anthem will work with your new MCO to transition case management. Contact Anthem at 1-855-690-7784 if you have questions, or call your new MCO once you receive the reassignment notice.

5. Does my new MCO have the same value added benefits as Anthem?

Answer: Not all MCOs offer the same value added benefits. Contact your new MCO, or you can go to the [Kentucky Medicaid Anthem MCO Transition](#) website to see a chart comparing the value added benefits across the MCOs.

6. I have a pending appeal with Anthem, what will happen to it?

Answer: Anthem is required to maintain staff to complete all appeals and grievances for claims with dates of service prior to January 1, 2025, even after termination. Your appeal will continue in the normal process regardless of how long it may take.

7. I received a favorable decision in an appeal with Anthem after they terminated. What happens now?

Answer: Anthem is required to maintain staff to complete all appeals and grievances for claims with dates of service prior to January 1, 2025, even after termination. If you are a member, contact Anthem Member Services at 1-855-690-7784 if you have questions. If you are a provider who appealed a denied claim, Anthem will process a payment upon receipt of the decision. Contact Anthem Provider Services at 1-855-661-2028 if you have questions.

8. Will my drug coverage be different?

Answer: No. There will be no change to your drug coverage. Your prescription benefits will continue to be provided by the Kentucky Medicaid Single Pharmacy Benefit Manager, MedImpact Healthcare Systems, Inc.

9. Can I fill my prescriptions before I receive my new member ID card?

Answer: Yes. Your pharmacy can fill your prescriptions with the information on your old Anthem ID card. Your drug coverage will not change.

10. Can I still go to my pharmacy to fill my prescriptions?

Answer: Yes. You can continue to fill your prescriptions at your current pharmacy.

11. If I am taking a prescription drug that needs a prior authorization, do I need to get a new one after I change MCOs?

Answer: No. Your prior authorizations for prescription drugs under Anthem will still work under your new MCO as long as they are not expired.

12. What if I have questions about my prescription pharmacy benefits?

Answer: You may contact MedImpact's member service help desk at 1-800210-7628.

26. I just reenrolled in Medicaid, why am I being assigned to Anthem if they will no longer be an MCO effective January 1, 2025?
