SCOPE:

The scope of this engagement included an examination of KHBE's compliance with the programmatic requirements under 45 CFR 155, Subparts C, D, E, K, and M for the 12-month period July 1, 2023 through June 30, 2024. We conducted our examination in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. We completed an examination of KHBE's compliance with the applicable programmatic requirements under 45 CFR 155 and issued our reports dated June 12, 2025.

We also performed an audit of its financial statements for the year ended June 30, 2024, and issued our report dated May 1, 2025.

We reviewed processes and procedures, read pertinent documents, and performed inquiries, observations, and staff interviews to obtain reasonable assurance regarding whether KHBE is in compliance with 45 CFR 155 in all material respects. We also selected a sample of eligibility and enrollment transactions and tested for compliance with requirements under 45 CFR 155 for eligibility determination, verification of data, and enrollment with a Qualified Health Plan (QHP).
