

# Affordable Coverage for dependents and spouses may be available!

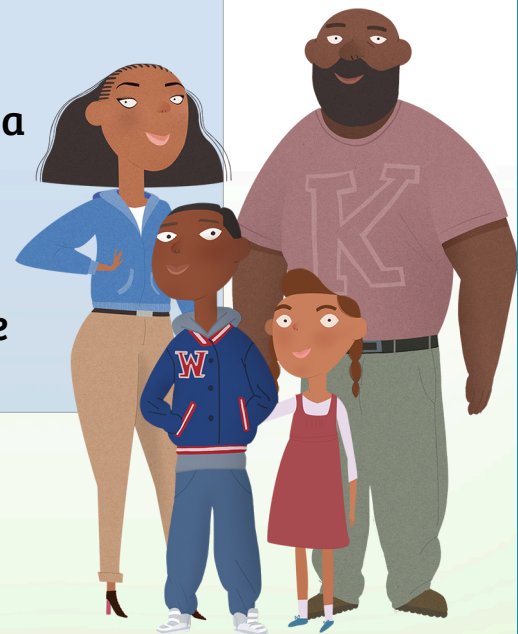

Many employers do not offer to pay a portion of the premiums for their employee's spouses and dependents.

## Example:

**Family of 4: Leon(40), Carmen(40), Scott(13), and Monica(9)**

\*Household Adjusted Gross Income \$60,000 Jefferson County. Comparison of HMO Plans with similar deductible and maximum out of pockets.

- Over \$1,000 monthly to add Carmen, Scott, and Monica to his employer's health plan.
- Health plan through kynect could be as low as \$0 monthly for Carmen and both children could be eligible for KCHIP at zero cost!
