kynector KI-HIPP Application

This Job Aid is designed to help kynectors complete the necessary steps to submit a KI-HIPP application in kynect benefits.

Please Note: The KI-HIPP application in kynect benefits contains similar screens as the Medicaid application. However, there are specific screens and fields that appear during the KI-HIPP application process which this Job Aid outlines. For more information about screens pertaining to the Medicaid application or other processes, (e.g., accessing kynect benefits, adding and/or removing kynectors) please review the **kynector SSP Training Handbook** and other kynect benefit resources.

KI-HIPP Application Overview

KI-HIPP applications will only be processed when the policy holder is included on the KI-HIPP application. Additionally, the policy holder must either be a Medicaid eligible member or have a Medicaid eligible member listed on his or her healthcare policy to qualify for KI-HIPP benefits. As an example, non-custodial parents who are not Medicaid eligible may qualify for KI-HIPP when they include their Medicaid eligible children who are not in their household on their employer coverage! Once a KI-HIPP application is completed and the policy holder submits the necessary verification documents, a task is created for the KI-HIPP Team to verify the information and determine the policy holder's eligibility.

The KI-HIPP Team is a specialized group of Department for Medicaid Services (DMS) workers that specifically determines KI-HIPP eligibility by verifying insurance coverage, plan benefits, and premium payments. The KI-HIPP Team has 30 days from the date the policy holder submits the required verification documents to determine eligibility. There are no penalties for a policy holder applying for KI-HIPP, even if they are not eligible.

If the policy holder or kynector has questions about the KI-HIPP Program, they may review the KI-HIPP Member Handbook and other helpful resources found on the [Cabinet's KI-HIPP webpage](#). Go to chfs.ky.gov and search "Welcome to KI-HIPP" in the search bar. Likewise, they may call the Professional Service Line at 855-459-6328 or email the KI-HIPP Team directly at KIHIPP.Program@ky.gov.

Please Note: The Prescreening Tool can be used before a KI-HIPP application is submitted to determine a policy holder's potential eligibility. The results from the Prescreening Tool do not guarantee KI-HIPP benefits. Policy holders are required to submit additional documentation so the KI-HIPP Team may determine eligibility. Reference the [Prescreening Tool](#) Quick Reference Guide for more details about the Prescreening Tool.

Starting a KI-HIPP Application

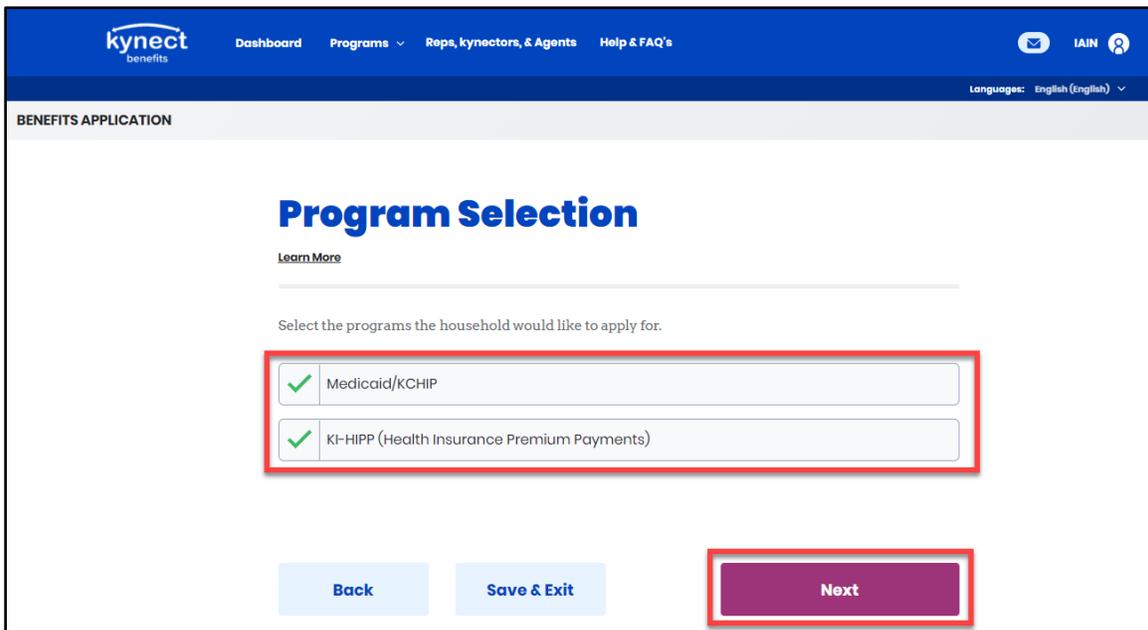

kynectors may start a KI-HIPP application from either the Program Selection screen for a new kynect benefits user or from the policy holder’s Resident Dashboard for an existing kynect benefits user.

Starting a KI-HIPP Application - Program Selection Screen

1. Click “Start Benefits Application” on the kynector Dashboard screen.
2. Click “Start Benefits Application” on the Get Started on the Benefits Application screen.
3. Click “I Agree” on the Information For All Who Apply pop-up.
4. Select “KI-HIPP (Health Insurance Premium Payments)” and “Medicaid/KCHIP” or “KI-HIPP (Health Insurance Premium Payments)” only.
5. Click “Next” on the Program Selection screen. Continue to step 1 of the Completing the KI-HIPP Application section.

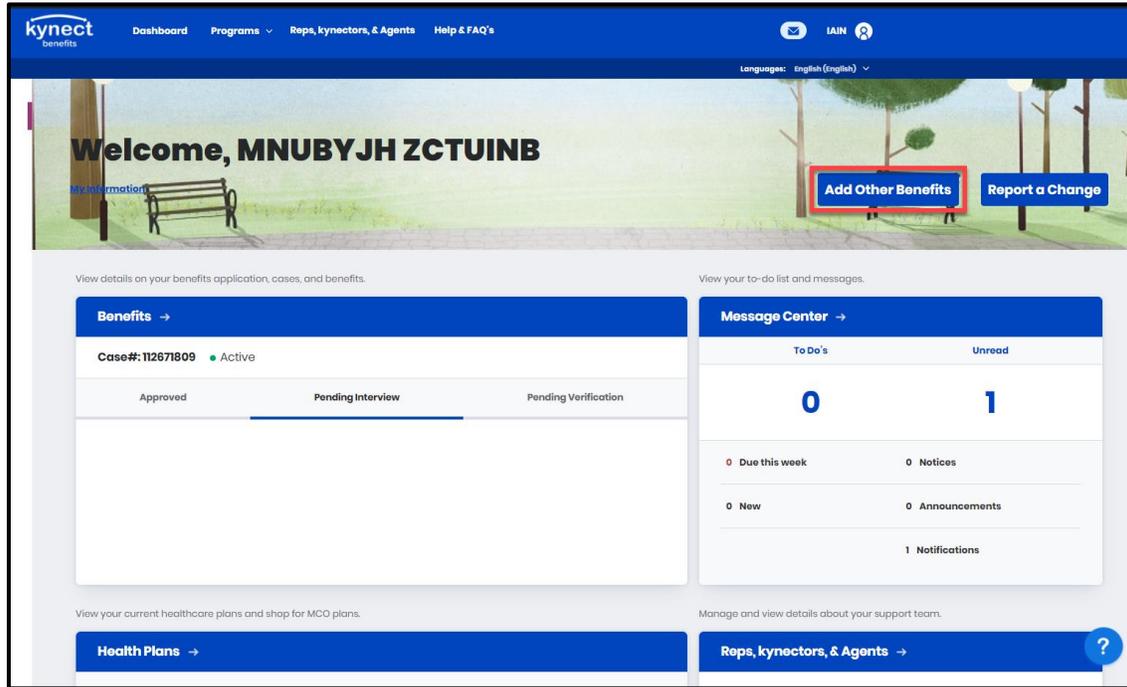

Please Note: The following screens are representative of a combined Medicaid/KCHIP and KI-HIPP application.

The screenshot shows the 'Program Selection' screen within the 'BENEFITS APPLICATION' section. The page has a blue header with the 'kynect benefits' logo and navigation links: 'Dashboard', 'Programs', 'Reps, kynectors, & Agents', and 'Help & FAQ's'. There are also icons for a mail envelope, 'IAIN', and a user profile. The main content area is titled 'Program Selection' with a 'Learn More' link. Below this, it says 'Select the programs the household would like to apply for.' There are two selection boxes, both with green checkmarks and highlighted by a red border. The first box is labeled 'Medicaid/KCHIP' and the second is 'KI-HIPP (Health Insurance Premium Payments)'. At the bottom, there are three buttons: 'Back' (light blue), 'Save & Exit' (light blue), and 'Next' (purple), with the 'Next' button also highlighted by a red border.

Starting a KI-HIPP Application - Resident Dashboard

1. Click “Add Other Benefits”.

2. Click “Start Benefits Application” on the Get Started on the Benefits Application screen.
3. Click “I Agree” on the Information For All Who Apply pop-up.
4. Select “KI-HIPP (Health Insurance Premium Payments)” and “Medicaid/KCHIP” or “KI-HIPP (Health Insurance Premium Payments)” only.
5. Click “Next” and continue to Step 1 of the Steps to Complete the KI-HIPP Application section.

Completing a KI-HIPP Application

The KI-HIPP application is divided into sections for the kynector to complete. When filling out an application, kynectors should enter all of the policy holder's information they have.

kynect benefits returns the kynector back to the Application Summary screen after each section of the benefits application is completed. The Application Summary screen includes a Progress Bar that updates automatically after each section is completed.

Below are the steps to complete a Medicaid/KCHIP/KI-HIPP application starting from the Application Summary screen.

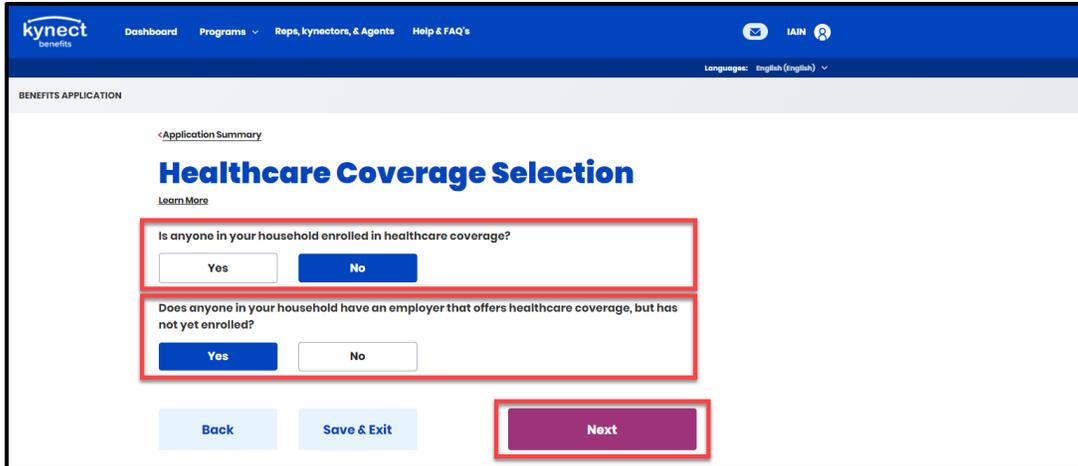

Steps to Complete the KI-HIPP Application

1. Click "Start" on the Household Members tile and complete the sections.

Please Note: For policy holders whose health insurance is covering non-case members (e.g., non-custodial parents), **do not** add these members on the Household Members screen. They will be included as covered individuals on the insurance policy and the relationship to the policy holder is captured on a different screen shown later in this document.

2. Click "Start" on the Contact Information tile and complete the sections.
3. Click "Start" on the Reps, kynectors, & Agents tile and complete the sections.
4. Click "Start" on the Relationship & Tax Filing Status tile and complete the sections.
5. Click "Start" on the Household Information tile and complete the sections.
6. Click "Start" on the Member Details tile and complete the sections.
7. Click "Start" on the Healthcare Coverage tile.
8. Select "Yes" or "No" for "Is anyone in your household enrolled in healthcare coverage?"
9. Select "Yes" or "No" for "Does anyone in your household have an employer that offers healthcare coverage, but has not yet enrolled?"
10. Click "Next".

 **Please Note:** The following screens change based on the responses for these two questions. If “Yes” is selected for the first question, then the Enrollment in Healthcare Coverage screen displays. If “No” is selected for the first question and “Yes” is selected for the second question, then the Access to Healthcare Coverage screen displays. If “Yes” is selected for both questions, then the Enrollment in Healthcare Coverage screen displays.

The Enrollment in Healthcare Coverage screen steps are shown on page 15.

Steps to Complete the Access to Healthcare Coverage Screen

11. Click “Start” on the Healthcare Coverage tile.

12. Select the appropriate response to “What is the source of healthcare coverage the household member has access to?”
13. Enter the policy holder’s information for the following fields:
 - Healthcare coverage company name
 - Address
 - Address Line 2
 - Insurance Plan Name
14. Select the policy holder from the list of household members under “Who is the policy holder?”
 - If the policy holder is outside of the household, enter his or her information in the fields provided. The KI-HIPP application will not be processed if the policy holder is not a member of the case submitting the application.
15. Select the members listed under “Who has access to this plan?”
 - This is where kynectors may enter the non-case member’s information.
16. After all of the members that may have access to this healthcare plan are listed, click “Save” to be navigated back to the Access to Healthcare Coverage screen.

Submitting the KI-HIPP Application and Next Steps

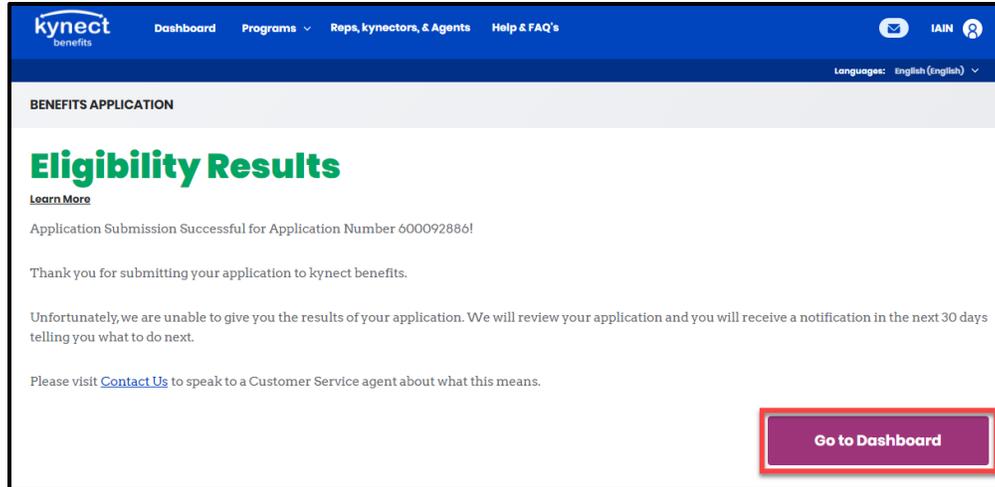

Once each section of the KI-HIPP application has been completed, the kynector may proceed to sign and submit the policy holder's application.

1. Click "Start" on the Sign & Submit tile.
2. Read and agree to the Terms of Agreement Summary on the Signature Page.
3. Answer the final KI-HIPP application questions.
4. Enter First Name, Last Name, and Date to sign the application.

Please Note: The signature must match the individual's name in kynect benefits, or the kynector will not be able to submit.

5. Select "Yes" or "No" for "Would you like to register to vote?"
6. Click "Submit Benefits Application".
7. View the eligibility results from the Eligibility Results screen.

Now that the kynector has completed the KI-HIPP application, the kynector may continue assisting the policy holder through the KI-HIPP process by uploading the policy holder's healthcare coverage documentation or sending the documents to the KI-HIPP Team's email, KIHIPP.Program@ky.gov. Please ensure that all documents containing personally identifiable information (PII) or protected health information (PHI) are encrypted before sending.

The following page lists the required documents that a policy holder needs to submit to the KI-HIPP Team with their KI-HIPP application. kynectors may review the [kynect benefits Document Upload Quick Reference Guide](#) for more information on this process.

Table 1: Required KI-HIPP Application Documents
