

# Department for Aging and Independent Living **DAIL**

The Kentucky Department for Aging and Independent Living (**DAIL**) oversees administration of statewide programs and services on behalf of Kentucky elders and individuals with disabilities.

## Programs Include:

- ✓ Hart-Supported Program
- ✓ Nutrition Program for the Elderly
- ✓ State Health Insurance Assistance Program (SHIP)
- ✓ Caregiver Support Services
- ✓ Long-Term Care Ombudsman
- ✓ Office of Dementia Services
- ✓ Home-care Program

Because locating, understanding and accessing public programs and services can be difficult, **DAIL** helps streamline processes and provides one-on-one assistance by phone. We help clients find the most appropriate programs and services for their needs.
