- ✓ Answering application questions
- ✓ Uploading documents
- ✓ Building community partnerships

What kynectors do!

1

Educate

About health coverage enrollment process

2

Assist

Individuals with health coverage enrollment pre-release

3

Connect

Individuals to local community resources post-release

How can kynectors help correctional facilities?

kynectors save facilities money by reducing recidivism rates. Individuals with health coverage have 16% fewer detentions and avoid correctional facility reentry longer than those without.

kynectors save staff time by working with Justice Involved individuals to access health coverage upon release.
