

# KENTUCKY MEDICAID UNWINDING DEMOGRAPHIC REPORT *SEPTEMBER 2023*

## INTRODUCTION

---

During the COVID-19 Public Health Emergency (PHE) the Kentucky Department for Medicaid Services (DMS) made sure that all Medicaid beneficiaries kept their coverage and paused all annual renewals. But DMS has resumed annual renewals for Medicaid members. All Medicaid and KCHIP members are undergoing a renewal of their eligibility for coverage since Kentucky resumed annual renewals starting in April 2023 for Medicaid members with a renewal date of May 31, 2023. These renewals will be spread out over 12 months. Those who are determined to be eligible will continue to receive Medicaid coverage. Those who are determined to be ineligible for coverage will be removed from Medicaid and connected to alternative coverage options in the state.

This report dives deeper into the demographic breakdowns of Kentucky Medicaid renewals, pending, and terminated in September 2023.

## SNAPSHOT

---

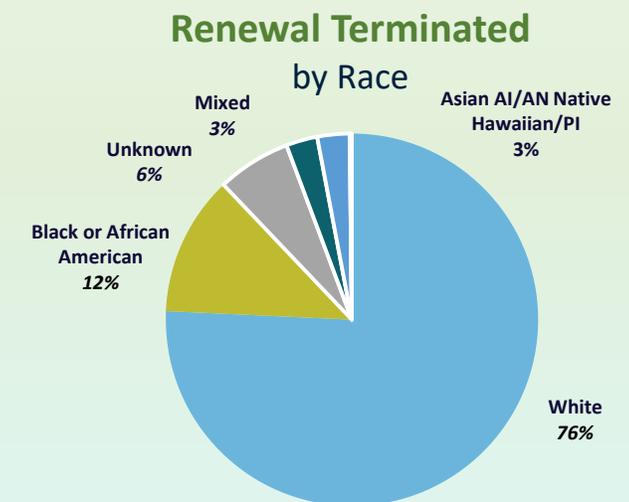

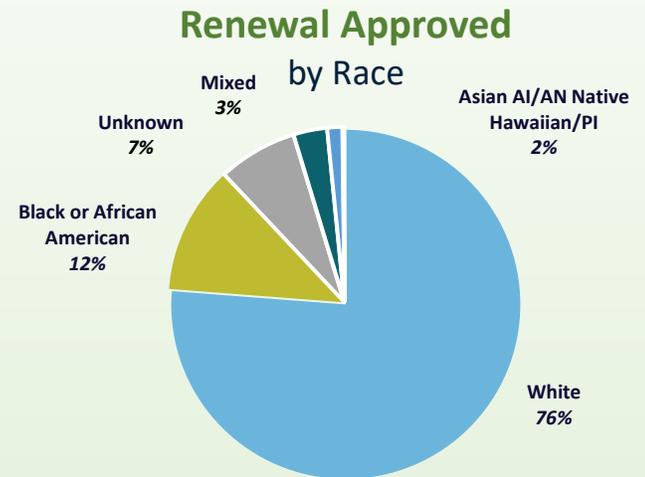

As of September 30, 2023, a total of 80,417 individuals who had their renewal due on September 30 were determined eligible for renewed coverage. For individuals that were procedurally terminated or pending for case processing and have either supplied requested information for eligibility termination or had their case processed, 1,294 renewals have been reinstated. To date, 15,586 individuals have been determined ineligible for renewed coverage and have been terminated.

Note: DMS is unable to track enrollment in coverage outside the state of Kentucky. For example, a significant number of individuals are estimated to have gained health coverage through an employer, meaning that individuals who do not come back to renew should not be assumed to be uninsured.
