KY Medicaid Renewals* and Reinstatements

Individuals procedurally terminated on their renewal due date are given 90 days to respond and provide requested information. If they are determined eligible, coverage is **reinstated** back to their termination date. Months that are still within the 90-day window and are still processing reinstatements are included below.

	Individual Renewals	Medicaid Approvals	Medicaid Terminations	Pending	Extended	Reinstatements as of 12/13/24
September	52,369	45,833	1,234	1	5,301	582
October	61,174	52,815	1,557	4	6,798	629
November	38,540	30,194	1,234	5	7,107	395

*Numbers are based on CMS Reports.

Help us get the message out! Informational fliers available on PHE website in English and Spanish!

Reinstatement Information

How to Reinstate Your Medicaid

Beginning in April 2023, Kentucky Medicaid went back to doing annual renewals for Medicaid eligibility.

Did your Medicaid coverage get terminated? You may be able to get it back with a few easy steps!

But... You need to act within 90 days of your termination to get coverage reinstated!

Your kynect dashboard will have information about any notices you may have received explaining the steps you need to take to get your coverage back!

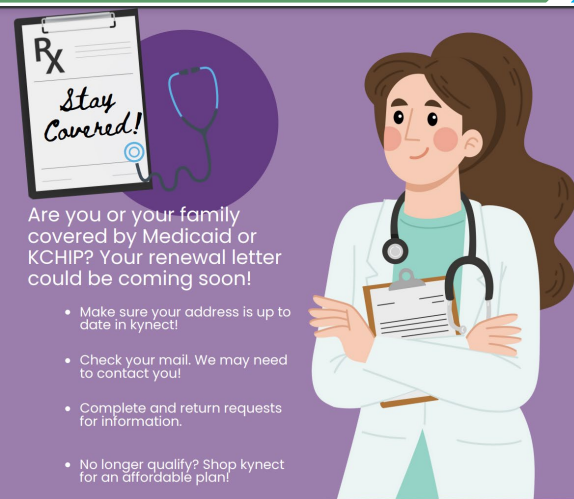

Here is what you need to do!

1. Log into kynect.ky.gov – if you don't have a kynect account, you can set one up by following the steps in this [video](#)!
2. Navigate to your Message Center to view your notices.
3. Read the notices you received to know what you need to do.
4. You may need to complete a pre-populated renewal application, upload documents, or report a change to your application.
5. Once everything is updated and completed, you can proceed to sign and submit.
6. If you are having trouble or can't set up a kynect account, you can call (844)-4kynect or go into a DCBS office for help. [Find a DCBS Office](#) or [find a kynector](#).

If your situation has changed and you are no longer eligible for Medicaid, there are other options available to you. Agents and kynectors can help you select and enroll in a Qualified Health Plans (QHPs) with payment assistance.

Visit <https://medicaidunwinding.ky.gov> to learn more!

Materials for Offices

Are you or your family covered by Medicaid or KCHIP? Your renewal letter could be coming soon!

- Make sure your address is up to date in kynect!
- Check your mail. We may need to contact you!
- Complete and return requests for information.
- No longer qualify? Shop kynect for an affordable plan!

TEAM KENTUCKY. Public Health Emergency Unwinding CABINET FOR HEALTH AND FAMILY SERVICES Kentucky Medicaid Renewals

Here is what you need to know to stay covered!

If you or a family member currently has health coverage through Medicaid or the Kentucky Children's Health Insurance Program, called KCHIP, there are changes coming.

What's changing?

Because of COVID-19, the federal government declared a public health emergency (PHE). During this time, changes were made so that Medicaid and KCHIP renewals were not required, so people did not lose their coverage.

However, Kentucky restarted Medicaid annual renewals in April. Renewals will continue over a 12-month period.

Make sure you take the necessary steps to keep your coverage!

★ You will receive a letter when it is your time to renew.

What do you need to do?

1. **Update your information:** Make sure kynect.ky.gov has your correct:
 - ✓ mailing address
 - ✓ phone number
 - ✓ emailThis way, we can contact you without delay.
2. **Check your mail:** You will get a letter about your Medicaid or KCHIP renewal **when it is your time**. The letter will let you know if you need to complete a form or send in information to keep your coverage.
3. **Send in information:** If you get a form, fill it out, return it right away. Make sure to give us any information we request. The information will help determine if you still qualify for coverage.

Have questions? Need help?

To make sure your information is updated, visit kynect.ky.gov or call 855-4kynect (855-459-6328)

Kentucky Medicaid will reach out to you when it is your time to renew.

You can also get free help from local kynectors.

Local kynector: Contact Info:

ID Proofing Tips

ASSISTANCE FOR KYNECTORS

MANUAL IDENTIFICATION PROOFING MADE EASY!

WHY IS ID PROOFING NEEDED?

Sometimes, a Medicaid member's identification cannot be verified electronically with Experian. When this happens, members will need to take additional steps to assure the verification of their identity.

ADDITIONAL INFO...

It is important to flag emails for DCBS staff to assure awareness of an identification proofing request and proper identification of the Medicaid member.

Email documents to:

TIP 1

If ID proofing is needed, Medicaid members must submit a form and photo ID to the Department for Community Based Services (DCBS).

TIP 2

kynectors can assist with the completion of form and can email the document, photo ID, and member's contact info on behalf of the member to DCBS.

TIP 3

Members or kynectors can hand deliver the form to a local DCBS office.

DMS.IDProofing@ky.gov

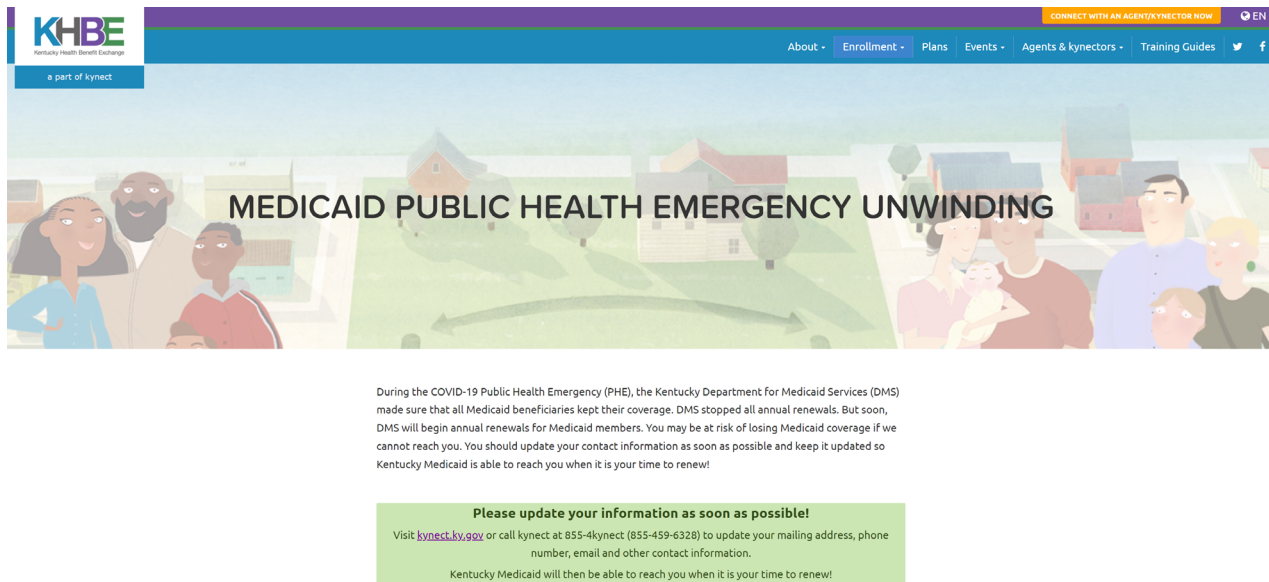

Enter "ID Proof" in subject line

Identify member in body of email.

Kentucky PHE Plans and Reports

Through the PHE Unwinding, Kentucky will be prioritizing transparency across all operations and progress through the unwinding. The following materials will provide insight to all operational plans and up-to-date information on our progress through the 12-month unwinding period. Additional reports will be added to this section as they are available.

- [Kentucky Unwinding Approach March 2023](#)
- [Kentucky PHE Flexibilities Tracker](#)
- [Renewal Redistribution Report](#)
- [System Artifact Report](#)

Communications Materials

If you should need any materials to share with your customers or partners, please feel free to leverage the following resources, developed and approved by Kentucky Medicaid.

[Member Information Brief](#) [español](#)

Communication Materials

Stakeholder Sessions

In March, DMS hosted Stakeholder Engagement meetings to provide information about the PHE Unwinding and Medicaid renewals. You can find the materials from those sessions here:

- [Presentation Recording - KY PHE Stakeholder Engagement Meeting Recording March - YouTube](#)
- [Presentation Slides](#)
- [Kentucky Unwinding Stakeholder Frequently Asked Questions Document](#)

To help support Medicaid partners, DMS is holding virtual stakeholder forums.

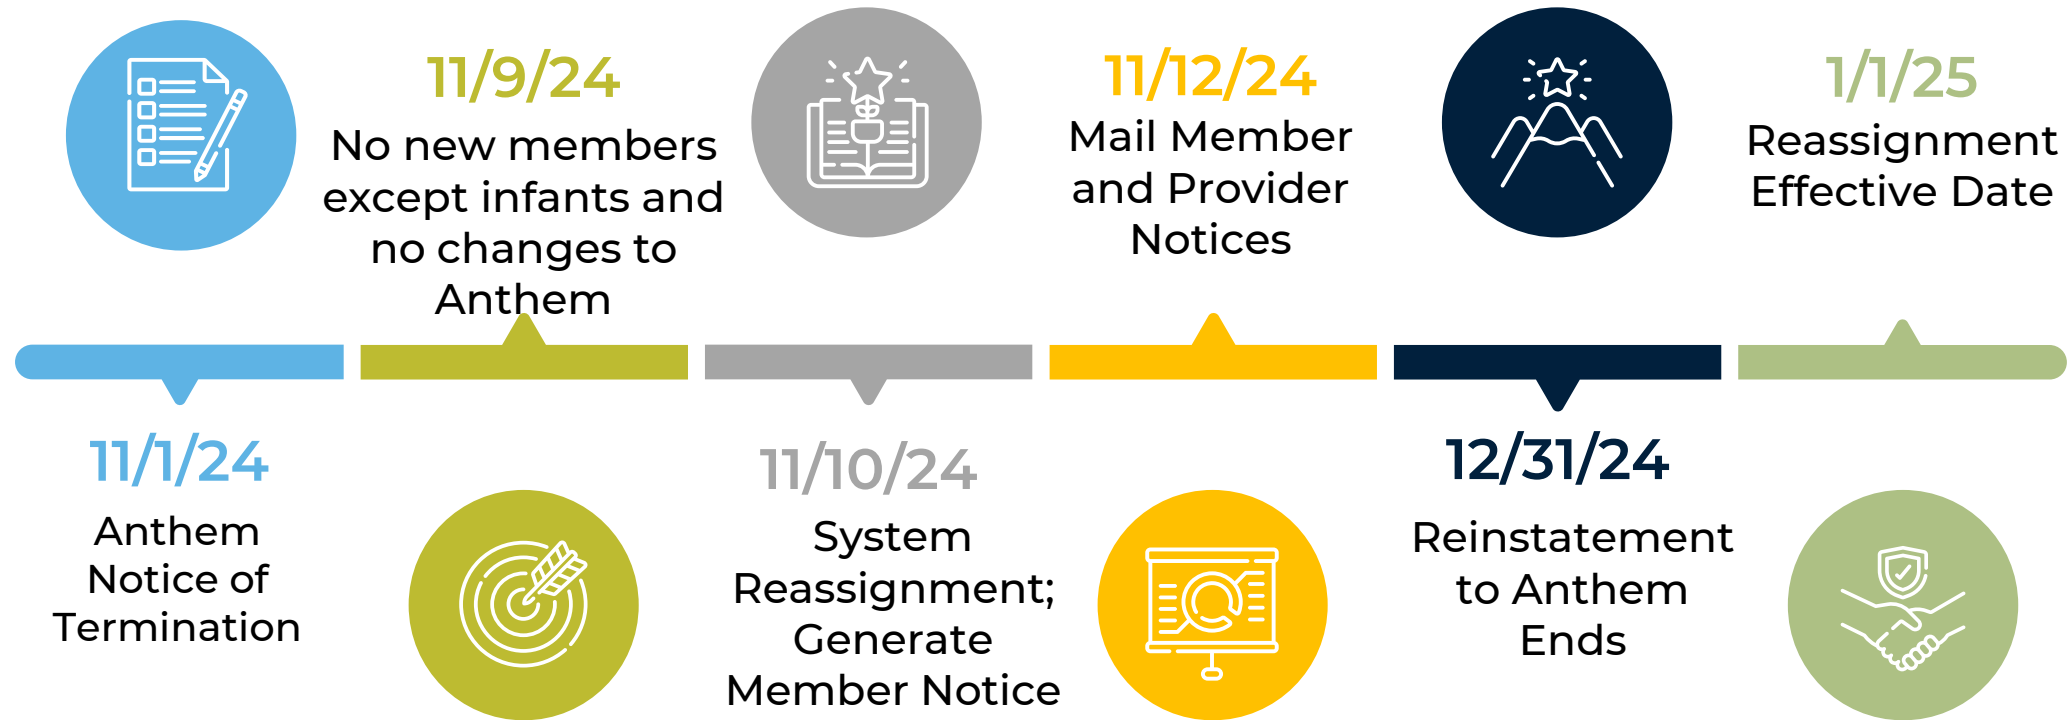

Please join us for the [Monthly Stakeholder Meeting](#) every third Thursday at 11:00 am ET.

If you have any questions for DMS that you would like for us to speak to during the upcoming monthly meeting, please submit those questions through this [survey](#). Thank you!

In addition, Thursday, April 20th we will be hosting a Provider Informational session on Medicaid Renewals and the PHE unwinding. Please [register for the event](#) to learn about updates specific to providers and hear answers to some of your questions!

Anthem Medicaid Transition

Anthem Transition Timeline

Anthem Reassignment Plan

Approximately 157,000 Anthem members were automatically assigned to Humana or United **resulting in an equal split** in the following order of priority:

- a. If a household member has the same MCO;
- b. If a preferred provider is in the network; or
- c. If not assigned in a or b above, then randomly auto-assigned in a round-robin fashion.

System auto reassignment occurred **Nov. 10, 2024** with an effective date of **Jan. 1, 2025**.

Member reassignment notice mailed **Nov. 12, 2024**.

Anthem Reassignment Plan

- ✓ New and current members may no longer select or be assigned Anthem as of **Nov. 9**.
- ✓ Anthem reinstatements through **Dec. 31, 2024** - member may select or be auto-assigned effective Jan. 1, 2025
- ✓ An Anthem member choosing any MCO between **Nov. 10 and Dec. 31** overrides the automatic reassignment.
- ✓ Another reassignment will occur at the end of December for any remaining Anthem members who were not reassigned in November.
- ✓ DMS, Anthem, Humana and United are meeting regularly to ensure smooth transition especially for members in care management, pregnant, inpatient, out of state, residential or ongoing treatment.

Anthem Transition Communications

- ✓ Member Written Reassignment Notice.
- ✓ Provider Written Notice and Medicaid Partner Portal Email.
- ✓ kynect and KYHealthNet Platform Announcement.
- ✓ Anthem Member Self-Service Portal and Worker Portal Posting.
- ✓ Email communications to various partners and advocacy groups, including advisory council members.
- ✓ Dedicated phone number for Anthem members - 1-833-501-9930.
- ✓ Frequently Asked Questions Document and One-Pager Explainer Document.

Designated website, [Kentucky Medicaid Anthem MCO Transition](#).

We Want to Hear From You!

New [federal rules](#) require that the Department for Medicaid Services make changes to the Advisory Council for Medical Assistance and create a new Beneficiary Advisory Council. As we explore this change, we want to make sure the future structure of the advisory groups works in a way that is best for all Kentuckians. This survey allows us to gather your feedback on important design considerations. Scan this QR code to access the survey.

Kentucky Medicaid Advisory
Committee (MAC) and Beneficiary
Advisory Council (BAC) Survey

Open Enrollment 2025

Nov. 1 to Jan. 15, 2025

Nov. 1: Open Enrollment Began.

Dec. 15: Deadline for coverage to begin Jan 1.

Jan. 15, 2025: Open Enrollment Ends.

More choices, improved user experience

The application flow is more streamlined, and it is easier for Kentuckians to see their potential eligibility for levels of financial assistance.

More issuers are offering plans with specific benefits such as heart health or diabetes.

More plans compatible with Health Savings Plans are available for 2025.

A new dental carrier has been added.

90,000+

Kentuckians have enrolled in a
Qualified Health Plan.

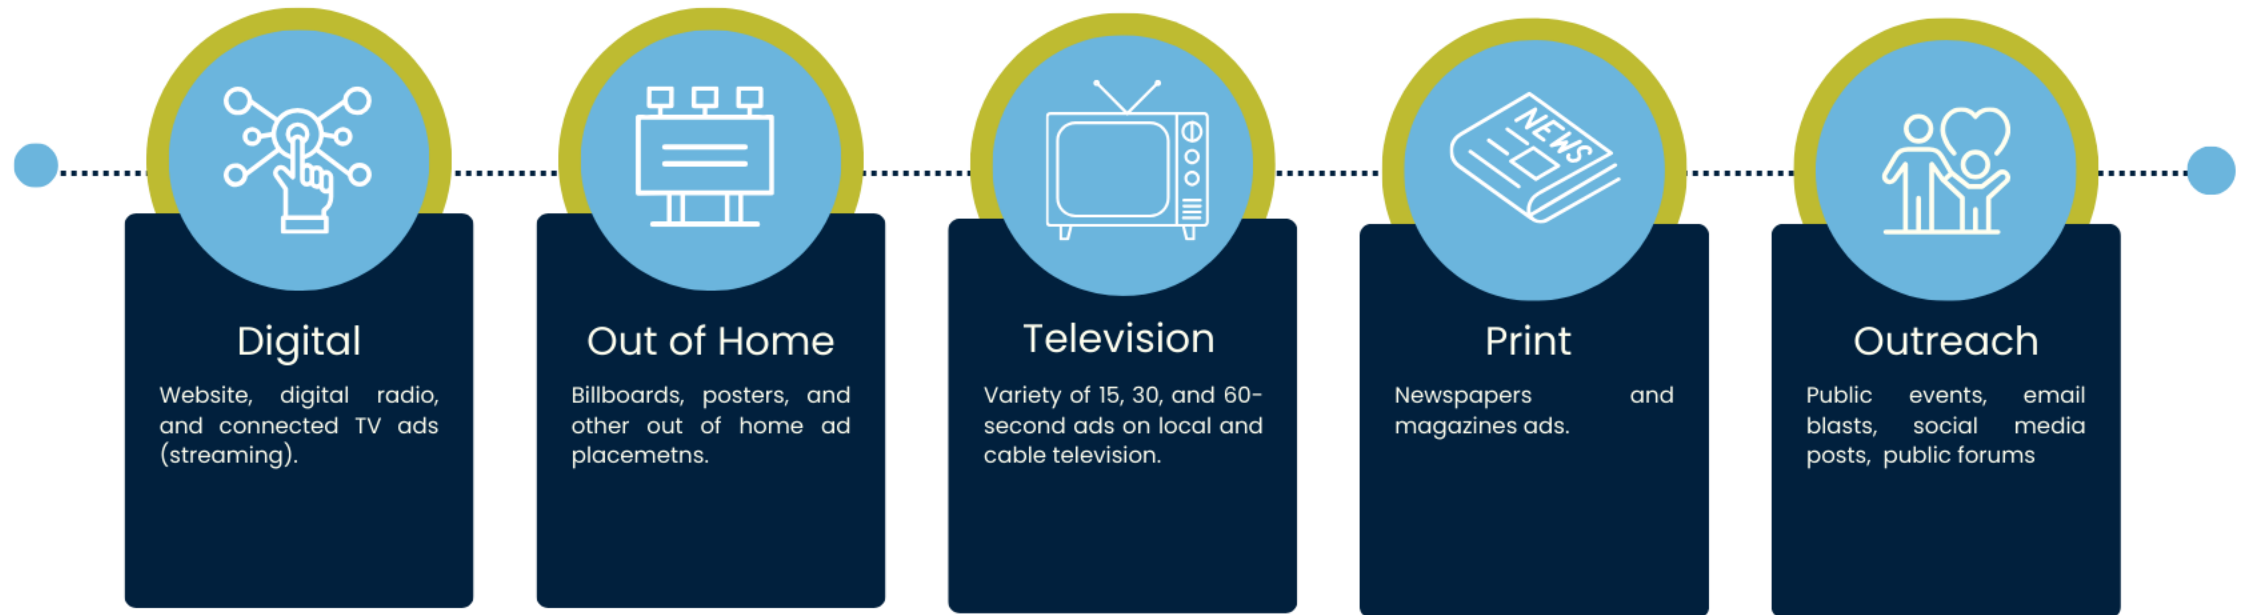

The enrollment rate has increased significantly.
Compared to last year, records indicate over
20,000 more individual enrollments.

Where you've seen us

The kynect outreach campaign officially launched in October, featuring ads in multiple platforms. Messages can be seen on TV, billboards, websites, social media, radio, newspapers, and other out of home locations.

Additionally, CHFS and DMS have promoted Open Enrollment through public forums, via digital channels, and through kynector networks in all 120 counties.

For assistance enrolling in health insurance go to:

kynect.ky.gov

or call

Transforming the Crisis Response

CRISIS vs EMERGENCY

WHAT'S THE DIFFERENCE?

A mental health or substance use crisis can be helped by a crisis counselor or behavioral health professional.

A mental health or substance use emergency requires immediate attention from first responders.

When to call 988

- Finding daily tasks hard
- Feeling lonely, or hopeless
- Sudden mood changes
- Feeling anxious or restless
- Feeling paranoid
- Showing violent or abusive behavior toward oneself or others
- Thinking about suicide
- Dealing with the negative effects of substance use
- Showing increasing risky behaviors

When to call 911

- Suicide attempt
- Overdose
- Self-injury or severe intoxication requiring medical attention
- Threats of harm to others
- Immediate danger
- Fire
- Crimes in progress

The 988 Suicide and Crisis Lifeline offers more convenient access to mental health and substance use crisis care through a network of call, text, and chat centers.

These centers are distinct from 911's public safety functions, which primarily involve dispatching emergency medical services, fire, and police as necessary.

Help is just
3 numbers
away

Are you...

- in need of support for you or someone you know
- feeling overwhelmed or hopeless
- depressed or anxious
- struggling with substance use
- in need of a listening ear
- looking for a sign to stay alive

It's not too late.

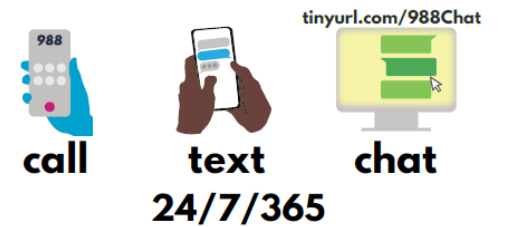

It's your call! What you share and when—
remain anonymous if you want.
We're here to help.

Hot Topic: Season Illness

Tis the season

Fever, cough,
congestion, stuffy
nose, runny nose,
headache, sneezing,
body aches and more

Viral respiratory season

- Fall, winter and early spring are when viruses that cause respiratory illnesses circulate more heavily in the community.
 - CDC reported 200 [pediatric deaths](#) for the 2023-2024 season.
 - Last year the country saw between 34 and 75 million flu cases, up to 900,000 hospitalizations, and as many as 100,000 deaths.
- Luckily, we have ways to prevent and treat some of the worst culprits

Seasonal Illnesses

Viral

- Flu
- Covid
- RSV
- Cold viruses

Bacterial

- Pertussis (Whooping Cough)

Immunization

remains the best way to protect yourself against serious outcomes from viral respiratory illnesses this season

- CDC recommends flu and COVID-19 vaccination for everyone 6 months and older.
- CDC recommends pertussis vaccination for pregnant people and adults who care for infants. It is also part of routine childhood immunizations
- CDC recommends RSV immunization for those who are eligible, including:
 - Some babies
 - Pregnant people
 - Older adults, including those ages 60-74 who are at increased risk of severe RSV
 - Everyone ages 75 and older

Prevention: In addition to vaccination

- Avoid close contact with people who are sick
- Wash your hands often with soap and water. If soap and water are not available, use an alcohol-based hand rub
- Avoid touching your eyes, nose, and mouth. Germs spread this way
- Cover coughs and sneezes
- Clean frequently touched surfaces
- You can improve air quality by bringing in fresh outside air, purifying indoor air, or gathering outdoors.

If you are sick,

- Limit contact with others as much as possible to keep from infecting them
- For flu, CDC recommends that people stay home, for at least 24 hours, until your symptoms are getting better overall, and you have not had fever (and are not using fever-reducing medication)

Pertussis

“The one hundred day cough”

SYMPTOMS OF WHOOPING COUGH

Treatment: Plenty of rest, fluids and fever control medications

- **Viruses**

- Antiviral drugs are prescription medicines that fight against flu or COVID in your respiratory tract. Antiviral drugs are not sold over the counter. You can only get them from a pharmacy if you have a prescription from your doctor or health care provider.
Antiviral drugs should be started as soon as possible after symptoms begin!

- **Bacteria - Pertussis**

- Antibiotics are used to decrease symptoms and stop the spread
- Treatment within the first 1-2 weeks is most effective for reducing symptom severity

To prevent pertussis, CDC supports targeting postexposure antibiotic use to those at high risk of developing severe pertussis and their close contacts

Our **HEALTHY** **KENTUCKY** Home

- Eat 2 servings of fruits or vegetables daily.
- Exercise at least 30 minutes, 3 times per week.
- Engage with others, stay connected!
