1. Organization Administrator Training: Course Introduction

The Organization Administrator Training covers the responsibilities and duties that Organization Administrators must perform, including submitting required reports, supervising kynectors in their organizations, overseeing kynector outreach efforts and enrollment events, and escalating issues as needed.

1.1 Organization Administrator Responsibilities

The role of the Organization Administrator has responsibilities beyond that of a kynector. Organization Administrator responsibilities include the following:

Administrative Duties	Recruitment	Reporting
<p>Administrative duties refer to tasks and activities including:</p> <ul style="list-style-type: none"> • Reassigning associated cases • Language/messaging on materials • Report any Leaves of Absence for kynectors in their organizations 	<p>Recruitment efforts aim to have a diverse employee base that is reflective of the communities served based on (but not limited to) the following:</p> <ul style="list-style-type: none"> • Race • Ethnicity • Sexual orientation • National origin • Disability • Age 	<p>Reporting provides data-driven feedback on outreach and enrollment goals using KHBE provided templates/reports.</p> <p>Organization Administrators are responsible for collecting and distributing reports. These include:</p> <ul style="list-style-type: none"> • Event Reporting Data: <ul style="list-style-type: none"> ○ Monthly Event Request Templates (required from contracted Organization Administrators only) ○ Monthly Event Photos ○ Monthly metrics • Financial Reporting Data: <ul style="list-style-type: none"> ○ Purchase requests ○ Property control ledger ○ Timesheets • Monthly Consumer Satisfaction Survey Results (required from contracted Organization Administrators only)

1.2 Leave of Absence Policy

All kynectors must notify KHBE in advance if planning to be on leave for more than eight (8) weeks so KHBE may place that user's access in a suspended status. kynectors should email KHBE.Program@ky.gov to provide this notification.

1.3 Certified Application Counselors (CAC) Quarterly Reports

Each quarter, CACs record their activities into the CAC Reporting Template. Every quarter CACs submit these reports to the KHBE general mailbox at KHBE.Program@ky.gov. KHBE staff review these reports to evaluate the overall performance and effectiveness of the CACs' activities. **Each organization must turn in the report by the 15th of the month following the end of the quarter** (example: Q1 would be due April 15). **In the report, there are five main criteria recorded.** These criteria include:

- Coverage Model
- Focus
- Outreach and Enrollment
- Operations
- Talent Management

Please note: CACs are to use the **Metrics Reporting Guidance** document which will assist with the Quarterly Metrics Report.

1.4 Metrics Reporting Guidelines

The following data elements are included in the Metrics Report:

- Reporting period month/quarter
- Data report submitted to KHBE
- Organization name
- Organization Administrator
- Entity name
- Region
- County
- Medicaid/QHPs or KCHIP

1.5 Metrics Reporting Section

The Metrics Report documents kynectors' and Organization Administrators' progress in facilitating enrollment and conducting outreach activities.

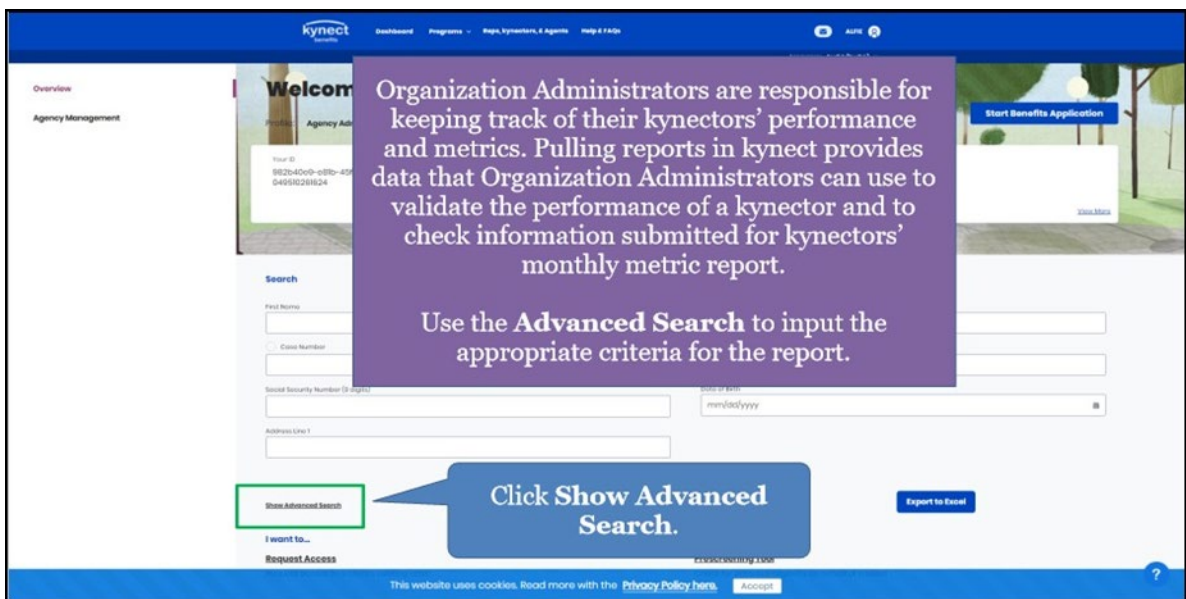

Metrics Reporting Section	Description
<p>Section 1: Coverage Model</p>	<ul style="list-style-type: none"> • Number of Applications started • Applications completed (Medicaid eligible) • Types of other Applications completed • Type of other enrollments • Applications completed (QHP eligible) • Enrollments completed for QHP • Applications in-progress (outstanding as of last day of reporting period) • Medicaid recertifications (this number is included in the month that the renewal was confirmed, NOT the renewal effective date month) • QHP renewals (this number is included in the month that the renewal was confirmed, NOT the renewal effective date month) • Total drive time (in hours) • Locations that require driving
<p>Section 2: Focus</p>	<ul style="list-style-type: none"> • Number of Blacks/African Americans enrolled • Number of Latinx enrolled • Number of Others enrolled • Number of enrollment related contacts • Number of hours spent on enrollment assistance • Number of outreach and education related contacts • Number of referrals sent and type of referral • Number of referrals received

1.6 kynect Reports Navigation

The following navigation steps walk Organization Administrators through best practices for accessing reports in kynect.

1. Use the **Advanced Search** to input the appropriate criteria for the report. Click **Show Advanced Search**.

2. To start, select the **Enrollment Status** we are looking for in our report. Click the **Enrollment Status** drop-down.

3. Select the **Complete** option from the drop-down.

The Enrollment Status selected will list the Individuals who have that status in the kynect Report.

Selecting **Complete** means only Individuals with completed enrollments will be displayed in the kynect Report.

Organization Administrators may want to view a kynector's enrollments that are incomplete. To view these, select the **No Plan Selected** option.

For this example, select **Complete**.

Select the **Complete** option from the drop-down.

Search interface with fields for First Name, Last Name, Application Number, Date of Birth, Address Line 1, Enrollment Status (dropdown), Select, No Plan Selected, Complete, All Time, Email Address, Unsubmitted Application, and Yes. Buttons for Reset, Search, and Export to Excel are visible.

4. Select the **Submitted Date** from the drop-down that needs to be displayed in the report.

Now select the **Submitted Date** that needs to be displayed in the report. Organization Administrators should confirm kynectors' metrics periodically for accuracy.

Click the **Submitted Date** drop-down.

Search interface with fields for First Name, Last Name, Application Number, Date of Birth, Address Line 1, Enrollment Status (dropdown), Complete, Case Status (dropdown), Submitted Date (dropdown), All Time, Email Address, Unsubmitted Application, and Yes. Buttons for Reset, Search, and Export to Excel are visible.

5. Select the **Last 1 month** from the drop-down.

The **Submitted Date** drop-down has different time frames to select from.

Please note: These time frames are exact. For example, the **Last 1 month option** pulls data from the past 30 days. The **Last 3 months** option pulls data from the last 90 days. Organization Administrators will need to be aware of this when accessing these reports.

Select the **Last 1 month** from the drop-down.

Submitted Date options: All Time, Last 1 month, Last 3 months, Last 6 months, Last 9 months, Last Year, All Time.

6. Organization Administrators can narrow their search results by adding in additional search criteria, if needed, through the **Advanced Search**. Click **Search**.

Organization Administrators can narrow their search results by adding in additional search criteria from the available drop-downs, if needed, through the **Advanced Search**.

Click **Search**.

Advanced Search fields include: First Name, Last Name, Case Number, Application Number, Date of Birth, Address Line 1, Enrollment Status, Case Status, Submitted Date, Email Address, and Unsubmitted Application (Yes/No).

- To narrow down the search, select the specific kynector to review from the **Assisted By** drop-down.

Please note: Organization Administrators should be aware that kynect Reports can only hold up to **200** clients assisted.

Now we can see Individuals who have been assisted from the search results listed below.

Organization Administrators should be aware that kynect Reports can **only hold up to 200 clients assisted**. The kynect Reports **will not** generate when there are over 200 clients. As we can see on the left-hand side of the screen, there are over 200 clients found.

In order to narrow down the search, specify the specific kynector you want to review from the **Assisted By** drop-down.

Click the **Assisted By** drop-down.

1.7 Outreach Efforts

kynectors and Organization Administrators play a central role in coordinating outreach and enrollment activities throughout the Commonwealth of Kentucky. The goals of Outreach and Enrollment events are to:

- Provide outreach and education to target audiences.
- Educate Kentuckians about KHBE and kynect.

1.7.1 Outreach Requirements

Key outreach requirements include:

Outreach Requirements

-  Utilize existing organization relationships for outreach to Residents.
-  Educate Individuals about insurance affordability programs (including tax credits, Cost-Sharing Reductions, and Medicaid) and enrollments in Qualified Health Plans (QHPs).
-  Educate employers on the Small Business Health Options Program (SHOP).

1.7.2 Outreach Standards of Practice

Organization Administrators must adhere to the below outreach standards:

- Obtain prior approval from KHBE for materials used in media and mass communications.
- Provide accurate communications to Residents.
- Submit events to KHBE for approval for the upcoming month **at least five (5) business days prior to the first day** of that month.
- Send in any changes or cancellations to the event schedule as soon as the kynector is made aware.

1.8 Event Types

The different KHBE event types are described below:

1. **Education Events:** Education events provide opportunities to inform Residents and small businesses about Medicaid, Qualified Health Plans (QHPs), Advance Premium Tax Credit (APTC), Cost-Sharing Reductions (CSRs), Kentucky Children’s Health Insurance Program (KCHIP), Kentucky Integrated Health Insurance Premium Payment (KI-HIPP) Program, and Small Business Health Options Program (SHOP).

- 2. Enrollment Events:** Enrollment events provide opportunities to assist Residents and small businesses in understanding health program enrollment information in order to make the right choice for their families and/or business.

- 3. Outreach Events:** Outreach events provide opportunities to engage and inform the public about kynect services, legislation (e.g., the American Rescue Plan (ARP)), answer questions about the importance of health coverage, and enroll Residents into available health coverage options through Medicaid, QHPs, APTC, CSRs, KCHIP, KI-HIPP, and/or SHOP.

1.9 KHBE Materials and Resources

- **Style Guides**-KHBE and kynect style guides give specific guidance on the requirements for how KHBE and kynect branding and visuals should be displayed.
- **Event Signs and Posters**-Event signs and posters communicate information designed to educate Residents about KHBE and the services available.

- **Flyers and Brochures**-Flyers and brochures are posted on the KHBE website for kynectors to distribute to Residents. kynectors need to print these materials for distribution since they are not intended for electronic distribution.

1.10 Event Advertising: Materials and Guidelines

Organization Administrators should direct kynectors to [KHBE.ky.gov](https://www.khbe.ky.gov) for advertising and promotion guidelines for their events and outreach.

1.10.1 Event Materials and Advertising Approval Process

The approval process for event materials and advertising materials is as follows:

1. **Review of Submission:** Organization Administrators review edited advertising/promotional materials received from kynectors and make necessary edits for upcoming events. If any changes are made to KHBE materials (besides date/time/location) they are required to be submitted to KHBE.Program@ky.gov for approval.

- Examples of items which may need approval are:
 - Public service announcements
 - Edited posters from the KHBE website

2. **Turnaround Time:** Organization Administrators should allow seventy-two (72) hours for KHBE to review advertising materials.

Please note: Items such as text message campaigns and digital content for publications may require additional time for review by KHBE.

3. **Approval or Denial:**

- KHBE reviews the proposed changes to advertising materials and approves or denies the submission.
- KHBE sends the decision and feedback to Organization Administrators with necessary changes/updates required for materials.

4. **Post Approval:** Once the Organization Administrator receives the approved advertising materials from KHBE, they can be used and distributed as intended.

1.11 **Event Calendar Expectations for kynectors**

kynectors should regularly check the KHBE events calendar on the KHBE website to be aware of upcoming events. kynectors should submit planned events directly to their Organization Administrator (kynectors do not submit the Event Request Template to KHBE).

1.12 Event Request Template

kynectors must provide all details and information in the Event Request Template to their Organization Administrator when they are planning an event. Organization Administrators are responsible for submitting and sending updates to the Event Request Template to KHBE.

1.13 Event Request Template Overview

The following process details how to complete the required fields on the Event Request Template. kynectors must provide all details and information to their Organization Administrators when they are planning an event. All events, public and private, must first be submitted to their Organization Administrator for approval and then added to the Events Calendar.

1. **Top Row:** Top row fields are for designated information regarding the event: region, title, start/end times, etc. and should be completed accordingly. kynectors should provide as much detail as possible regarding the event. For example:
 - Name of the event: kynecting to your Health
 - Description: A virtual event to discuss hearth health, National Wear Red Day, KCHIP and dental health.
 - Location: PACS Office
 - Start Date/Time: 01/02/20 9:00 AM
 - End Date/Time: 01/02/20 12:00 PM

1.15 Event Request Template Submission Process

Event requests should be filled out completely in the Event Request Template with all required information. All event requests require review from Organization Administrators for accuracy prior to being submitted to KHBE for approval.

The submission process to KHBE is detailed in the steps below:

-  kynectors submit a completed event request to the Organization Administrator.
-  Organization Administrator compile event requests into one master template for their entire organization.
-  Organization Administrator verify submitted information is accurate and color coded properly (if needed).
-  The compiled master template is saved with the following naming convention:
 - Organization Name, Month, and Event Request Date (e.g., CAK May Event Request 5.19.21)
-  The master template is sent to KHBE at KHBE.Program@ky.gov for review.

Organization Administrators should repeat this process throughout the month as events are changed or added, rename their master copy with the new date, and resend to KHBE at KHBE.Program@ky.gov.

1.16 Event Calendar Approval Process

Organization Administrators must review the Events Request Template for accuracy before submitting to KHBE for approval. Event requests submitted with errors are returned and require submission.

See below a few key facts about KHBE events:

1. The Events Request Template is tracked via Microsoft Excel and should be completed in its entirety with all required information.
2. The Events Request Template is reviewed for accuracy by Organization Administrators and sent to KHBE.Program@ky.gov for approval.
3. KHBE reviews the Events Request Template and sends their approval/denial decision back to the Organization Administrator.
4. The Events Calendar is published to the KHBE website for public engagement and awareness.

2. Enrollment Event Management

Organization Administrators ensure that kynectors successfully meet their requirement of hosting a minimum of one (1) successful public event in each county in the region per month, either in-person or virtually (with KHBE approval).

2.1 Five Criteria for Successful Events

1. Event is well advertised.
2. Event has appropriate signage throughout the venue.
3. Event is held in locations where Residents and potential Enrollees congregate.
4. Event yields at least ten (10) contacts or two (2) applications.
5. Event is properly staffed “at the table” within reason for the entire scheduled event time.

2.2 Event Management Checklist

The following topics provide a checklist of items and practices that an Organization Administrator must follow for all kynector events.

1. **Advertising/Self-Marketing:** There should be clear signs of promotional advertising of the event using KHBE-approved posters and flyers.
 - Organization Administrators should encourage kynectors to solicit cross-promotion and self-marketing opportunities by sending email communications and/or arranging in-person visits with stakeholders and media outlets.
 - Self-marketing helps to expand the promotional reach of events and services kynectors offer by collaborating with various media outlets across different mediums.

2. **Signage:** There should be visible posting of KHBE-approved materials throughout the event venue to communicate information about the programs and services offered by KHBE.

3. **Metric-Driven SMART Goals:** Organization Administrators should encourage kynectors to apply metric-driven SMART Goals to reach targeted interactions of at least ten (10) contacts or two (2) enrollments during their events. The SMART acronym is defined as Specific, Measurable, Attainable, Relevant, and Time-Bound. These goals should be included in their event planning.

4. **Facilities Requirements:** The physical facility should be an appropriate establishment for sponsoring a KHBE event. The event should be properly staffed and have the minimum facility requirements to meet the needs of Residents for the duration of the event. These requirements include:
 - Wi-Fi and network connectivity (secure)
 - Restroom access

- Appropriate seating availability
- Accessibility for persons with disabilities
- Set the scene:
 - Remove excess clutter from the area
 - Present in a quiet area free from background noise

The above topics help define the requirements for what is considered a successful public event.

Please note: Organization Administrators can find which counties are assigned to them in the Organization Management portal within KOG.

2.3 Outreach and Enrollment

Community outreach and enrollment events are public-facing events and should be handled accordingly.

- It is important that kynectors take certain measures and actions to ensure a successful event.
- Additionally, Organization Administrators must provide oversight for these events to confirm they are properly organized and facilitated correctly.

Below are best practices Organization Administrators should utilize so events are both successful and compliant.

HIPAA Compliance	Maintain HIPAA compliance standards. For detailed information about HIPAA please visit the U.S. Department of Health and Human Services: https://www.hhs.gov/hipaa/index.html
Create metric-driven SMART Goals	Have expectations to reach at least ten (10) contacts or two (2) applications per event.
kynector Oversight	Confirm kynectors complete metrics reporting after every event.

2.4 In-person Events

There is a tremendous value for participants to attend an in-person event. Therefore, kynectors should thoroughly plan and advertise the event. Organization Administrators should verify that kynectors are incorporating the following practices as a part of their in-person events:

In-Person Event Best Practices	
Punctuality	Events starting and ending on time is important for those participating at the event and KHBE.
Billing	Billing of time should be accurate for the event and planning efforts.
Branding	All branding should be consistent with current standards and KHBE approved materials should be visible.
Q&A Segments	Question and answer (Q&A) segments are important for engaging participants.
Survey	Call-to-action: Distribute Customer Satisfaction surveys at all events. Customer Satisfaction surveys provide valuable feedback and helps improve future events.

2.5 Virtual Events

Below are some best practices Organization Administrators should verify that kynectors are incorporating as a part of their virtual events.

Virtual Event Best Practices	
Advertise the Event	Event advertisements help Individuals recognize KHBE and the image of the kynector as well as build long-lasting relationships with stakeholders.
Best Time of Day to Broadcast	Set the scene for the virtual presentation in the same professional manner as an in-person event by doing the following: <ul style="list-style-type: none"> • Remove excess clutter from the area • Select a professional background • Present in a quiet area free from background noise • Ensure privacy for the broadcast

<p>Facebook Live Setup</p>	<p>Before going live on Facebook, check the operational setup for the following:</p> <ol style="list-style-type: none"> 1. Select whether to Go Live Now or Schedule a Live Video for a future time and date. 2. Select whether broadcasting to a Page, Group, Event, or Profile Timeline. 3. Add a Title and Description to the broadcast. Also tag friends, check into a location, add a feeling, or activity. 4. Select Audience Settings to define Age Restrictions and Geographic Gating to apply age restrictions (if necessary). 5. Under Setup, confirm that the correct camera and microphone sources are configured. 6. If sharing the computer screen, select Start Screen Share under Setup. 7. Check the internet connection before going live and make any necessary adjustments.
<p>Broadcasting</p>	<p>It is always best practice for kynectors to facilitate a dry run of their events. Practicing before a broadcast can help increase the quality and effectiveness of the event. Try broadcasting to friends or change the privacy settings on the post to Only Me.</p> <p>During the virtual event, be sure to incorporate the following practices:</p> <ul style="list-style-type: none"> • Provide consistent re-introductions of important information throughout the broadcast. • Distribute the broadcast stream including an accessible link and any necessary access passwords for the public to join the broadcast. • When using Zoom, turn off the “Waiting Room” feature in the Zoom settings.

<p>Accommodations for Persons with Disabilities</p>	<p>Visit Facebook's Accessibility Page to utilize the platform's resources in creating a great experience for all Residents.</p> <p>Below is a checklist of areas to pay attention to regarding accessibility:</p> <ul style="list-style-type: none"> • Screen readers and assistive technology • Closed captions and media • Text size and contrast
