

Enroll in a plan that best meets your needs.

Look for these things when selecting a Qualified Health Plan (QHP):

- Out-of-pocket costs such as deductibles, co-pays, and monthly premiums.
- In-network Primary Care Provider.
- Any limits and/or exceptions to coverage.
- Prescription coverage.
- Coverage for Specialists.
- How often you need provider care.

Please note: QHPs are only available through kynect and meet all federal guidelines to comply with the Affordable Care Act.
