

Medicaid Public Health Emergency Unwinding

Kentucky Medicaid Renewals

Here is what you need to know to stay covered!

If you or a family member currently have health coverage through Medicaid or the Kentucky Children’s Health Insurance Program, called KCHIP, there are changes coming.

What’s changing?

Because of COVID-19, the federal government declared a public health emergency (PHE). During this time, changes were made so that Medicaid and KCHIP renewals were not required, so people did not lose their coverage. However, Kentucky will restart Medicaid annual renewals April 1, 2023. Make sure you take the necessary steps to keep your coverage!

Kentucky Medicaid will reach out when it is your time to renew.

What’s changing?
