# **1 Agent Portal**

### 1.1 Overview of the Agent Dashboard

Agent Portal gives Agents quick insight into their business. They may view information on clients, prospects, policies, quotes, delegates, messages and kynect On Demand.

#### 1.2 Agent Dashboard

The Overview screen serves as the Agent's dashboard. Agents may gain quick insight into their business on this page including the Total Number of Clients, Prospects or Quotes generated. It also details the status of policies the Agent has submitted. Agents may also access various quick links and perform appropriate actions.

Reports Agent Case Notes							

Listed below are the key features of the Agent Dashboard:

**My Clients:** This section provides information on Agent's clients such as current clients, past clients, and clients added in the last month.

**My Policies:** This section provides information on Agent's policies such as the number of policies that are active, termed, pending, expired Request for Information (RFI), and RFI about to expire in a week.

- **My Prospects:** This section provides information on clients that have initiated an application and assigned the user as the Agent of Record, as well as the clients they have added. It also displays the number of Current Prospects, Abandoned Prospects, and Prospects Added in the Last Month.
- **My Quotes:** This section provides the status of Agent's quotes, showing which are In Progress, Accepted, Submitted, or Rejected.
- 5 Agent Quoting Tool: The quoting tool displays programs that an Individual qualifies for, and emails quote results to the Resident after the Agent has completed the quote.
  - **Book of Business:** The Book of Business screen serves as a record of the Agent's clients and prospects. Agents may search for clients and prospects based on defined criteria and Disenroll/Cancel policies before their coverage effective date in enrollment manager.
- 7

**My Delegates:** The My Delegates screen allows Agents to assign up to 6 other licensed and certified Agents as delegates on their account, or they may become a delegate for another licensed and certified Agent.

- 8 **Messages:** The Messages screen allows Agents to view and filter messages from kynect. The results table displays the messages and includes information such as Type, Description, Date Received, and Actions. Agents may click on the Description to access the message details.
- 9

**Settings:** The Settings screen displays personal information about an Agent. At the bottom of the screen, an Agent's designated agency information displays.

**Quick Links:** The Quick Links sidebar provides additional navigation on the left-hand side of the screen.

**Agent Portal Help:** The Agent Portal Help screen opens in a new browser and details the functionality and steps associated with the different screens of Agent Portal

11

**kynect On Demand Referral Manager**: The Referral Manager allows Agents to search, view and manage assigned referrals.

**kynect On Demand View Metrics:** The View Metrics section displays how many referrals were completed, failed to reach the Resident, have a follow up in progress, or canceled.

**kynect On Demand My Availability:** The My Availability section allows Agents to view and update their Available Hours and Out of Office Hours. Agents should update their availability often to ensure their availability is always up to date.

**kynect on Demand Preferred Contact:** The Preferred Contact section allows Agents to update their preferred contact method.

16

**kynect on Demand De-Register:** The De-Register section allows agents to de-register from kynect on Demand 30 days after registration.

1. The refresher video for the **Agent Portal Dashboard** module covers the topics listed below.

2. The guided walkthrough will demonstrate the functionalities of Agent Portal.
